As you may already know, Chicago Police Officers Paul Clavijo, Star# 11392 and Juan Vasquez, Star # 15054 have been charged with Criminal Sexual Assault and Official Misconduct. I have asked MIS to conduct a search on CRIMES to determine whether these officers are witnesses on any pending cases. I will forward the search results to you once I receive them. If you do not have a case management system, please have your ASAs check their files and see whether they have any cases on their call where Officers Clavijo or Vasquez are witnesses. If they are witnesses on any cases please determine whether the case can be proved without calling either as a witness. If the case cannot be proved without calling either of them as a witness, please nolle the case. If the case can be proved without either officer's testimony you should proceed on the case.

If you have a case where we cannot proceed without either officer's testimony and the case is a violent crime, involves death or serious bodily injury, or is a case where you or your ASAs feel that the case should go forward please contact Fabio or me prior to taking any action. Also, please have your ASAs keep track of how many of Officer Clavijo's and Office Vasquez's cases they have and how many of those cases were dismissed.

If you or your ASAs have any questions, please call me. Thank you.
